The Ultimate Guinea Pig Handbook

These are the Guinea Pig "secrets" pet stores don't want you to know!

"Who Else Wants to Quickly and Easily Have the Perfect Guinea Pig: Healthy, Happy, and Thriving For Years to Come?"

Some amazing facts about guinea pig care... and why you shouldn't even think about getting a guinea pig until you read every word of this letter!

Guinea pigs get sick easily. In fact, most guinea pigs in captivity live just a few months! But most diseases are 100% curable if you know what they have, and which medication to give them.

Guinea pigs CAN live up for up 10 years...but poor cage conditions make them sick way before that (find out the proper cage conditions below).

Guinea pigs thrive when their cage conditions are "just right"...unfortunately there is a ton of *wrong* information out there on how to do this.

Here's the thing: Guinea pigs are very delicate creatures. They get sick easily, and they can die easily. What y
